

Wootton & Dry Sandford Pre-School

Learning is fun!

PROSPECTUS

We are a small Pre-School serving Wootton, Dry Sandford and surrounding villages, providing a safe, caring and stimulating environment for young children aged between two and school age. The Pre-School has a long history serving our villages and surrounding areas, having opened in 1966. Our staff are friendly and caring and are NVQ3 qualified. We can take up to a maximum of 26 children in our central location at the Wootton and Dry Sandford Community Centre (Room 4).

ABOUT OUR CURRICULUM

We are a group where children will have the opportunity to learn and develop at their own pace, where equal chances are given to all in a safe, stimulating and happy environment with a minimum of three trained staff. We actively encourage parents to become valued members of the group and welcome new ideas and skills that you may bring with you.

We encourage all children to have at least one Pre-School logo printed sweatshirt as **we can't guarantee that materials used at Pre-School are stain proof**. We offer the children several messy activities per session which we actively encourage them to try. It is important that they are able to freely explore and develop creative skills.

WHAT CHILDREN MAY LEARN AT PRE-SCHOOL

At Pre-School we work to a 6 term 'various theme curriculum'. This covers the EYFS learning areas. This means we have specific themes for each term to give your child the greatest opportunity to achieve all the skills necessary in later life. The children are encouraged to explore and learn from different materials, bring things of interest from home and to discover things for themselves. This will be discussed in more detail when you visit.

SESSIONS AND FESS

WE ARE OPEN **MONDAY - FRIDAY 8.30 AM – 3 PM** DURING SCHOOL TERM.

We accept government-funded children as well as fee- paying children:

15 hours government funding is currently available for all children in the term after they are three years old. From September 2017, the government introduced an additional 15 hours a week of funding (30 hour funding) for working parents of three and four-year-olds. Children in families where both parents are working (or the sole parent in a lone parent family), and each parent earns approx. £166.72 per week (a weekly minimum equivalent to 16 hours at national minimum wage); and less than £100,000 per year are eligible. If your child does not qualify for this, they can attend extra sessions by paying the required fee in advance. 40% of children are entitled to 2 year old funding (15 hours a week). We accept childcare vouchers, contact your employer to see if they run this scheme. To find out your options, visit this website: <https://www.childcarechoices.gov.uk/> or speak to a member of staff.

Fees are payable termly (6 terms per year) – prompt payment at the start of every term is expected. Your child's place may be at risk if you fall behind with payments.

GENERAL MEMBERS

All parents who accept a place for their child are automatically on the committee and are responsible for the running of the Pre-School.

All the main named members are DBS checked by law. Part of the committee’s duties is to set fees, decide days & hours the Pre-School is open, make the Pre-School’s policies, implement and enforce them if necessary, deal with staff pay and provide adequate insurance. They also undertake to organise several fundraising events during the academic year, this money being spent for the benefit of the children of the group.

They are also responsible, with the staff, to comply with the Children Act, Social Services Regulations, including Registration and Inspection. Notices for meetings and events about the Pre-School and its function are posted on

the doors, on our notice board. Everyone is welcome to attend these meetings and events and we find the more you are involved the more your child achieves.

Please get involved – **IF THERE IS NO COMMITTEE – THERE IS NO PRE-SCHOOL BY LAW**

INFORMATION FOR PARENTS AND CARERS

Please also visit our website for more information – www.wdspreschool.org.uk

KEY PERSON - WHAT IS IT?

Each family is appointed a keyperson. They will take a special interest in your child, assisting them in socialising with the other members of the group and learning to adapt to their new environment. If you have any concerns about your child then you can talk to your keyworker in confidence, or any other member of staff. Each member of staff will be making observations (including photos) of their keyperson children. They will be keeping an electronic record of the child's achievements and required needs. You will be able to access this secure information once an account has been set up for you.

WHY KEEP RECORDS?

For the benefit of you and your child. To know if they are actually learning and to discover which areas need to be extended, and to keep as a personal log of your child's progress. Your input is welcomed and valuable. Some schools ask for evidence of achievements and this is an ideal way to pass on that information. These records are confidential to the staff and the parents of the child - no one else has access to them.

ILLNESS

It is important to tell a member of staff if your child has any of the childhood infections or ailments. It may be that another person, child or adult, need to be kept away from some illnesses. If a child hasn't been feeling well it is better to stay at home, mum/dad usually knows if they feel ready for pre-school, but remember the staff look after a maximum of 25 other children as well. A phone call (01865 806288) to the pre-school to let us know if a child will be away for a period of illness or has an infectious ailment would be appreciated.

JEWELLERY/WATCHES

Please do not send children to pre-school wearing jewellery, earrings, necklaces, rings and watches. They could all get caught on clothes or equipment. The staff may take it off and keep it safe until the end of the session. Our insurance will not cover any injury or damage caused by jewellery.

TOYS

Toys from home should be left in the box outside Pre-School.

PARENTS RESOURCE BOX

We have a resource box available for parents to view. This box contains our most recent Ofsted report, items on special needs and a variety of information on the six learning outcomes.

SETTLING IN

WOOTTON & DRY SANDFORD COMMUNITY CENTRE, WOOTTON, ABINGDON, OX13 6DA
TEL 01865 806288 / 07596 201598 · EMAIL wdspreschool@yahoo.co.uk · WEBSITE www.wdspreschool.org.uk

All children are different and you know your child best, so we don't have a set rule for settling in a child. We offer voluntary home visits to help settle and get to know your child. The term before your child starts we encourage you and your child to have 2 – 3 visits on days of your choice (we can guide you for quieter days). We suggest you come after register around 10 .00am so they can just join in with the fun and play and get used to playing in a group.

POLICIES INCLUDING PRIVACY POLICY

Policies set out the procedures for aspects of the management of the pre-school. They are set by the committee, in consultation with staff and parents, and are reviewed at regular intervals. All of the policies are available for you to read – ask a member of staff.

CHILD PROTECTION

Under the Children Act we have a responsibility to protect children in our care, and we must report any incidents or suspected incidents of abuse to the Social Services Department. (See the safe-guarding children and child protection policy). Please note: All accidents/incidents regarding your child are recorded and kept, you will be asked to sign and date this.

EQUAL OPPORTUNITIES

The Pre-School Learning Alliance is committed to helping pre-schools provide quality of opportunity for all children and their families.

As a member of the Pre-School Learning Alliance, Wootton and Dry Sandford Pre-school believes that no child, individual or family should be excluded from the pre-school activities on the grounds of age, gender, sexuality, class, family status, means, disability, colour, ethnic origin, culture, religion or belief. We aim to ensure that all who wish to work in, or volunteer to help with, our pre -school have an equal chance to do so. For more information see our Equal Opportunities Policy.

ADMISSIONS

We arrange our waiting list on date of receipt of application. In addition, our policy may take into account the vicinity of the home to the setting, age of child, and siblings already attending the setting (see admissions policy).
